

## Contest Director Application

mathleague.org is looking to hire contest directors for the upcoming school year either as contractors or as mathleague.org employees. Contest directors will be responsible for organizing all aspects of a successful math contest and will be offered contests to run based on their availability and geographical preferences.

Successful applicants will demonstrate the ability to multitask, issue and follow directions, be organized, and work well under pressure. Training will be provided.

Name: \_\_\_\_\_

Address: \_\_\_\_\_

Phone number: \_\_\_\_\_ Are you over 18? \_\_\_\_\_

Email address: \_\_\_\_\_

Please describe your availability to run contests (what days of the week, how many contests per month would you like to run, etc.)

Assuming your travel expenses are covered, please describe the geographical area you would be able to drive to for contests. Also indicate whether you would be willing to fly outside this area for contests and if so, what your nearest major airport is and how far you are from that airport.

Why do you want to work for mathleague.org?

Please describe your experience running mathleague.org contests or other math contests, if any.

Do you have a partner with whom you would like to run contests as a team (assuming you both apply and are accepted)?
